

*I'm a
GIRL
AND I
Matter*

*I am a girl today, but someday
generations of prestigious men
and women will be
birthed through me.
That's Why I matter!*

*I am worthy of a quality education and I will not be denied
opportunities to be cultured and empowered.
That's Why I Matter.*

*I commit to study and prepare myself to influence
the way that girls are perceived and valued.
That's Why I Matter.*

*I am a girl today, but someday I may be a voice for women
and children who have been silenced, and muted by violence.
That's Why I Matter!*

*I am positioned right now to do great exploits for
my community and the world.
That's why I Matter!*

YOUNG TALENTS TO WOMEN

*I am a girl today, but tomorrow I may be the president
of a great nation. That's why I Matter!*

*Someday I may stand for justice and fight for laws
that protect girls like me.
That's Why I Matter!*

*Yes, I am a Girl and I Matter!
So I speak for my sisters today:*

*For The Asian Girl, The African American Girl,
The European Girl, The Indian Girl,
The Latina Girl, The Middle Eastern Girl,
The Native American Girl,
The African Girl and for every other Girl in the World.*

I say:

*Because I am a girl and I Matter, I refuse to be labeled,
mentally molested, maligned, manipulated, or
stripped of the dignity, self-respect, and honor that I deserve!*

**I AM A GIRL...
AND NOW YOU KNOW WHY I MATTER!**
